

# Our Progress

## Manufacturing Department

- Fine Casting Mould
- Tools & Dies
- Precision Engineering Works
- Cold Forging Die-Set

## Production Department

- Sub-Assembly of Metal Components
- Precision Stamping
- Precision Machining
- Cold Forging Products
- T4 / T6 Aluminum Heat Treatment

M.I.M. New Technology

## R & D Department

- New Product R & D
- Technical Consultation
- Turn-Key Project
